May 8, 2009 --

IT looks like Jets quarterback **Mark Sanchez** will have one fewer target this season. Buxom brunette **Jenn Sterger** (above), who served as the team's sideline reporter last season, is leaving her post to pursue a career as an actress. Sterger, who first drew attention as a cheerleader at FSU, recently finished a role in "Don't Fade Away" with **Mischa Barton**. **She'll also be guest bartending at the Hill in Murray Hill tomorrow.**
